PUBLIC NOTICES

IMPORT TRADE CONTROL

New Delhi, the 14th August, 1967

SUBJECT:—*Revalidation of import licences issued under the Erstwhile E. P. Schemes and the National Defence Remittance Scheme.*

No. 80-ITC(PN)/67.—Attention is invited to paragraph 205(10) of Chapter X of the Import Trade Control Hand Book of Rules and Procedure, 1967 published under the Ministry of Commerce Public Notice No. 57-ITC(PN)/67 dated the 3rd July, 1967, which provides that revalidation of licences not covered by the sub-paragaphs 205(1—8) of the Hand Book will not ordinarily be allowed, and that in cases of genuine difficulty the licensing authority may grant extension for a short period on merits.

2. The question of revalidation of import licences for items other than machinery and equipment issued under the Erstwhile Export Promotion Schemes and the National Defence Remittance Scheme has been considered and the following decisions have been taken for dealing with the requests for revalidation of such licences:—

- (i) No extension in the validity period of the licences will be granted in cases where the initial period of validity expires beyond 30-9-1967.
- (ii) In the case of licences whose initial period of validity expires on a date before the end of September, 1967 the requests for revalidation upto the 30th September 1967 may be entertained on merits, provided that even in such case no extension in the period of validity will be granted if the licence has already been revalidated for a period of six months.

3. Applications for revalidation of licences in terms of this Public Notice will be entertained by the licensing authority who issued the licence or by any regional licensing authority. Such requests for revalidation will be considered by the licensing authorities on merits where such authority is satisfied that the request for revalidation is based on genuine difficulty and the refusal to grant extension in the validity period will cause hardship or loss to the licence-holder.
